ATRIUM · ARCHITECTURE AND INTERIORS

Planning permission checklist

What the planning office usually asks for. We prepare all of it for you.

- ☐ Site plan with the new building or extension
- ☐ Floor plans, sections and elevations
- ☐ A description of the materials and colors
- ☐ Proof that you own the plot, or the owner's consent
- ☐ Energy calculation for new homes
- ☐ The application form and fee

Rules differ from town to town. This is a sample document from the Shingle downloads extension.
